# Office Policy

Attendance Policy	Parent Initials
<b>Each therapist at Innovative Therapy Group is in private practice and does not get paid for missed appointments. Thank you for understanding and cooperation.</b>	
1. All appointments are expected to be kept as scheduled. <b>Sessions must begin and end at the scheduled times.</b> There are no provisions for extending sessions to accommodate late arrival.	
2. For children to benefit from the services provided, <b>consistent attendance is essential.</b> Optimal progress occurs when children are seen at the prescribed frequency. This is especially important if your child is seen only once a week or less.	
3. <b>NO-SHOW:</b> Your child's appointment is reserved for him/her. We make an effort to prepare for that appointment. It is an "act of courtesy" to call if you will be unable to keep your appointment. Please call as soon as you know you cannot keep the appointment. Two NO –SHOWS in a month will put your child at risk for discharge from therapy or having your child's name at the bottom of the waiting list.	
4. <b>Parent participation in the therapy session may be required at the therapist's discretion.</b> If it is necessary for you to leave parents of school aged children may leave the office briefly. Please notify the therapist that you will be away from the office. Be sure we have the following information before you leave. a. <b>Your cell number</b> and that you are carrying your phone b. <b>Where you will be</b> in case we cannot reach you by phone Please return by <b>15 minutes before the end of your child's session.</b> Take traffic into consideration before you leave.	
5. <b>Cancellations:</b> Cancellations must be provided 24 hours prior to the scheduled date except for illness or emergency. All cancelled sessions are to be re-scheduled if possible. After three cancellations in two months you may be removed from the list of standing appointments and will need to secure a new schedule with your therapist.	
6. <b>Therapist Cancellations:</b> If a therapist must cancel a session, the client is not expected to make up the session. If the parents request a make-up visit, the therapist will make every effort to do so. Sometimes we will ask you if are willing to come in for a re-scheduled visit due to our absence. It is your choice whether to do so or not.	
7. <b>Holidays:</b> Missed visits due to holidays do not require make-up visits. <b>Vacations:</b> If you are taking a vacation, please notify us ahead of time.	

**Prohibition of Disclosure** The enclosed information has been disclosed from confidential records which are protected by federal law. A federal regulation (42, CFR part2) prohibits the re-disclosure of the information without the written consent of the person to who it pertains, or as otherwise permitted by such regulations.

Please read and initial each section of the office policy indicating that you have read and agree to comply with each statement.

<b>Waiting Area Policy</b>		Parent Initials
8. <b>Children in the waiting room must be attended by an adult at all times.</b> We are not responsible for children left unattended in our waiting area. We cannot monitor children who are waiting before or after their treatment sessions.		
9. Please keep children/siblings in the waiting area and out of the therapy rooms, hallway or office space.		
10. <b>Please do your part to keep noise to a minimum in the waiting area.</b> Excessive noise in the waiting area is a distraction to those in the treatment rooms.		
11. Out of respect for others please <b>DO NOT use your cell phone in the waiting or therapy rooms.</b> If you need to use your phone you may go into the outside hallway or entry area. Cell phones must be turned off before entering the therapy rooms.		
<b>Payment Policy</b>		
12. <b>All co- payments and private payments are to be paid when services are rendered.</b> This keeps your overall bill manageable for you.		
13. Be aware that even though we are filling with your insurance company/ Medicaid, the ultimate responsibility for payment of services rendered falls upon the parents, should the insurance carrier decline payment for any reason.		
14. <b>It is essential that our office be informed immediately of any change in insurance</b> including transfers from one Medicaid HMO (Amerigroup, UHC- Community, Superior, and CSCHN) to another. The new insurance card must be provided to prevent denials of claims. Failure to inform the office may result in denial of claim in which case the parent/caregiver is responsible for payment.		
15. Please discuss any concerns you may have over payments of visits with us. Many issues can be easily resolved. We will make every effort to assist you.		
<b>Cost of Materials</b>		
16. Most materials used for treatment are provided at no cost to the patient. However, there are some therapy tools which must be purchased by the parents. These tools are sold at cost.
